If there is any conflict between this Contract and the Exhibits, the terms of the Contract shall govern. If there is any conflict among the Exhibits, the following order of precedence shall determine the prevailing provision:

Exhibit A – The RFP

Exhibit B – State Contract Affidavit, executed by the Contractor and dated 10/6/15/17

Exhibit C – The Non-Exchange Entity Agreement

Exhibit D – The Non-Disclosure Agreement

Exhibit E – The Federal Funds Attachment (Attachment G to the RFP, including G-1 and G-2).

Exhibit F – The Contractor's Technical Proposal

Exhibit G – The Contractor's Financial Proposal

- 2.2 The Procurement Officer may, at any time, by written order, make changes in the work within the general scope of the Contract or the RFP. No other order, statement, or conduct of the Procurement Officer or any other person shall be treated as a change or entitle the Contractor to an equitable adjustment under this section. Except as otherwise provided in this Contract, if any change under this section causes an increase or decrease in the Contractor's cost of, or the time required for, the performance of any part of the work, whether or not changed by the order, an equitable adjustment in the Contract price shall be made and the Contract modified in writing accordingly. The Contractor must assert in writing its right to an adjustment under this section within thirty (30) days of receipt of written change order and shall include a written statement setting forth the nature and cost of such claim. No claim by the Contractor shall be allowed if asserted after final payment under this Contract. Failure to agree to an adjustment under this section shall be a dispute under the Disputes clause. Nothing in this section shall excuse the Contractor from proceeding with the Contract as changed.

In such an event, the parties will meet to discuss in good faith an appropriate equitable adjustment. Any such equitable adjustment ultimately agreed upon by the parties will be reflected in a Contract modification. Contractor shall proceed diligently with the services throughout such discussions and regardless of their ultimate disposition.

- 2.3 While the Procurement Officer may, at any time, by written change order, make unilateral changes in the work within the general scope of the Contract as provided in Section 2.2 above, the Contract may be modified by mutual agreement of the parties, provided: (a) the modification is made in writing; (b) all parties sign the modification; and (c) all required approvals are obtained.
- 2.4 Contracts awarded in violation of the MHBE Procurement Policies and Procedures are voidable at the election of MHBE.

3. Period of Performance.

- 3.1 The Contract shall start as of the date of full execution by the Parties. From this date, the Contract shall be for a period of two years with three, one-year renewal options at the sole discretion of the MHBE.

Each invoice must include the Contractor's Federal Tax Identification or Social Security Number for a Contractor who is an individual which is **26-0307682**. Charges for late payment of invoices other than as prescribed at Md. Code Ann., State Finance and Procurement Article, §15-104 are prohibited. Invoices shall be submitted to the Contract Monitor at hbe.finance@maryland.gov. - 4.3 In addition to any other available remedies, if, in the opinion of the Procurement Officer, the Contractor fails to perform in a satisfactory and timely manner, the Procurement Officer may refuse or limit approval of any invoice for payment, and may cause payments to the Contractor to be reduced or withheld until such time as the Contractor meets performance standards as established by the Procurement Officer.

- 4.5 Contractor's eMarylandMarketplace vendor ID number is 320656.

5. Patents, Copyrights, and Intellectual Property

- 5.1 If the Contractor furnishes any design, device, material, process, or other item, which is covered by a patent, trademark or service mark, or copyright or which is proprietary to, or a trade secret of, another, the Contractor shall obtain the necessary permission or license to permit the State to use such item or items.
- 5.2 Except as provided in Section 5.4 of this Contract, the Contractor agrees that all documents and materials, including but not limited to, reports, drawings, studies, specifications, estimates, tests, maps, photographs, designs, software, graphics, mechanical, artwork, computations and data prepared by or for the Contractor for purposes of this Contract (Work Product) shall become and remain the sole and exclusive property of the State and shall be available to the MHBE at any time. The MHBE shall have the right to use the same without restriction and without

compensation to the Contractor other than that specifically provided by this Contract.

- 5.3 Except as provided in Section 5.4 of this Contract, the Contractor agrees that at all times during the term of this Contract and thereafter, the Work Product shall be "works made for hire" as that term is interpreted under U.S. copyright law and shall be owned by the State. Ownership includes the right to copyright, patent, register and the ability to transfer these rights and all information used to formulate such Work Product. In the event any Work Product is or may not be considered a work made for hire under applicable law, Contractor assigns and transfers to the State the entire right, title and interest in and to all rights in the Work Product and any registrations and copyright applications relating thereto and any renewals and extensions thereof. Contractor shall execute all documents and perform such other proper acts as the State may deem necessary to secure for it the rights pursuant to this section.
- 5.4 Notwithstanding anything to the contrary in this Contract, to the extent (i) the Work Product incorporates any commercial-off-the shelf software (COTS) and/or any Pre-Existing Intellectual Property or (ii) any COTS and/or Pre-Existing Intellectual Property (other than a computer's operating system, supported internet browser, browser accessibility software or hardware if needed by the user, and software required to access a commonly-available data transmission tool or export format) is required to access, install, build, compile or otherwise use the Work Product (such COTS and Pre-Existing Intellectual Property individually and collectively referred to herein as "Third-party Intellectual Property," which shall be the sole property of Contractor or its third-party licensors, as applicable), Contractor hereby grants, on behalf of itself and any third-party licensors, to the State a royalty-free, paid-up, non-exclusive, unrestricted, unconditional, irrevocable, worldwide right and license, with the right to use, execute, reproduce, display, perform, distribute copies of internally, modify and prepare derivative works based upon, such Third-party Intellectual Property as may be necessary for the State to use the Work Product for the purposes for which such Work Product was designed and intended. "Pre-Existing Intellectual Property" means any program, utility or tool owned by Contractor or its third-party licensors that was created by Contractor or its third-party licensors independently from its performance of this Contract and not solely using funds from this Contract.

The State's license rights stated in this section shall not apply to Third-Party Intellectual Property to the extent such subcontractor, vendor or other third party refuses to make its software or other Pre-Existing Intellectual Property available to Contractor to the extent required for Contractor to comply with this Section.

- 5.5 Subject to the terms of Section 6, Contractor shall defend, indemnify, and hold harmless the State, including, but not limited to, the Agency and its agents, officers, and employees, from and against any and all claims, costs, losses, damages, liabilities, judgments and expenses (including without limitation reasonable attorneys' fees) arising out of or in connection with any claim the Work Product or any Third-party Intellectual Property infringes, misappropriates or otherwise violates any Third-party Intellectual Property rights. Contractor shall not enter into any settlement involving third party claims that contains any admission of or stipulation to any guilt, fault, liability or wrongdoing by the State or that adversely affects the State's rights or interests, without the State's prior written consent, which consent may be withheld in the State's sole and absolute discretion. Contractor shall be entitled to control the defense or settlement of such claim (with counsel reasonably satisfactory to the State), provided that the State will, upon requesting indemnification hereunder: (a) provide reasonable cooperation to Contractor in connection with the defense or settlement of any such claim, at Contractor's expense; and (b) be entitled to participate in the defense of any such claim. Contractor's obligations under this section will not

apply to the extent any Third-party Intellectual Property infringes, misappropriates or otherwise violates any third party intellectual rights as a result of modifications made by the State in violation of the license granted to the State pursuant to section 5.4; provided that such infringement, misappropriation or violation would not have occurred absent such modification.

- 5.6 Without limiting Contractor's obligations under Section 5.5, if all or any part of the Work Product or any Third Party Intellectual Property is held, or Contractor or the State reasonably determines that it could be held, to infringe, misappropriate or otherwise violate any third party intellectual property right, Contractor (after consultation with the State and at no cost to the State): (a) shall procure for the State the right to continue using the item in accordance with its rights under this Contract; (b) replace the item with an item that does not infringe, misappropriate or otherwise violate any third party intellectual property rights and, in the State's sole and absolute determination, complies with the item's specifications, and all rights of use and/or ownership set forth in this Contract; or (c) modify the item so that it no longer infringes, misappropriates or otherwise violates any third party intellectual property right and, in the State's sole and absolute determination, complies with the item's specifications and all rights of use and/or ownership set forth in this Contract.
- 5.7 Except for any Pre-Existing Intellectual Property and Third-Party Intellectual Property, Contractor shall not acquire any right, title or interest (including any intellectual property rights subsisting therein) in or to any goods, software, technical information, specifications, drawings, records, documentation, data or any other materials (including any derivative works thereof) provided by the State to the Contractor. Notwithstanding anything to the contrary herein, the State may, in its sole and absolute discretion, grant the Contractor a license to such materials, subject to the terms of a separate writing executed by the Contractor and an authorized representative of the State.
- 5.8 Contractor, on behalf of itself and its Subcontractors, hereby agrees not to incorporate, link, distribute or use any Third-party Intellectual Property in such a way that: (a) creates, purports to create or has the potential to create, obligations with respect to any State software (including any deliverable hereunder), including without limitation the distribution or disclosure of any source code; or (b) grants, purports to grant, or has the potential to grant to any third-party any rights to or immunities under any State intellectual property or proprietary rights. Without limiting the generality of the foregoing, neither Contractor nor any of its Subcontractors shall incorporate, link, distribute or use, in conjunction with the Work Product, any code or software licensed under the GNU General Public License ("GPL"), Lesser General Public License ("LGPL"), Affero GPL ("AGPL"), European Community Public License ("ECPL"), Mozilla, or any other open source license, in any manner that could cause or could be interpreted or asserted to cause any State software (or any modifications thereto) to become subject to the terms of the GPL, LGPL, AGPL, ECPL, Mozilla or such other open source software.
- 5.9 Without limiting the generality of the foregoing, neither Contractor nor any of its Subcontractors shall use any software or technology in a manner that will cause any patents, copyrights or other intellectual property which are owned or controlled by the State or any of its affiliates (or for which the State or any of its Subcontractors has received license rights) to become subject to any encumbrance or terms and conditions of any third-party or open source license (including, without limitation, any open source license listed on <http://www.opensource.org/licenses/alphabetical>) (each an "Open Source License"). These restrictions, limitations, exclusions and conditions shall apply even if the State or any of its Subcontractors becomes aware of or fails to act in a manner to address any violation or failure to comply therewith. No act by the State or any of its Subcontractors that is undertaken under this

Contract as to any software or technology shall be construed as intending to cause any patents, copyrights or other intellectual property that are owned or controlled by the State (or for which the State has received license rights) to become subject to any encumbrance or terms and conditions of any Open Source License.

- 5.10 The Contractor shall report to MHBE, promptly and in written detail, each notice or claim of copyright infringement received by the Contractor with respect to all Work Product delivered under this Contract.

6. Indemnification

- 6.1 Contractor shall indemnify, defend, and hold the State, its directors, officers, employees and agents harmless from third-party liability for tangible property damage, bodily injury and death, and for fraud or willful misconduct of Contractor, including all related defense costs and expenses (including reasonable attorneys' fees and costs of investigation, litigation, settlement, judgments, interest and penalties) arising from or relating to the performance of the Contractor or its Subcontractors under this Contract.
- 6.2 The State has no obligation to provide legal counsel or defense to the Contractor or its Subcontractors in the event that a suit, claim or action of any character is brought by any person not party to this Contract against the Contractor or its Subcontractors as a result of or relating to the Contractor's obligations under this Contract.
- 6.3 The State has no obligation for the payment of any judgments or the settlement of any claims against the Contractor or its Subcontractors as a result of or relating to the Contractor's obligations under this Contract.
- 6.4 The Contractor shall immediately notify the Procurement Officer of any claim or suit made or filed against the Contractor or its Subcontractors regarding any matter resulting from or relating to the Contractor's obligations under the Contract, and will cooperate, assist, and consult with the State in the defense or investigation of any claim, suit, or action made or filed against the State as a result of or relating to the Contractor's performance under this Contract.
- 6.5 Section 6 shall survive expiration of this Contract.

7. Loss of Data

In the event of loss of any State data or records where such loss is due to the intentional act or omission (any failures to act when Contractor has a duty to act) or negligence of the Contractor or any of its Subcontractors or agents, the Contractor shall be responsible for recreating such lost data in the manner and on the schedule set by the Contract Monitor. The Contractor shall ensure that all data is backed up and recoverable by the Contractor. Contractor shall use its best efforts to assure that at no time shall any actions undertaken by the Contractor under this Contract, or any failures to act when Contractor has a duty to act, damage or create any vulnerabilities in data bases, systems, platforms, and/or applications with which the Contractor is working hereunder.

8. Exclusive Use and Ownership

Contractor shall not use, sell, sub-lease, assign, give, or otherwise transfer to any third party any other information or material provided to Contractor by the Department or Agency or developed by Contractor

relating to the Contract, except that Contractor may provide said information to any of its officers, employees and Subcontractors who Contractor requires to have said information for fulfillment of Contractor's obligations hereunder. Each officer, employee and/or Subcontractor to whom any of the Department or Agency's confidential information is to be disclosed shall be advised by Contractor of and bound by the confidentiality and intellectual property terms of this Contract.

9. Confidentiality

- 9.1 Subject to the Maryland Public Information Act and any other applicable laws, all confidential or proprietary information and documentation relating to either party (including without limitation, any information or data stored within the Contractor's computer systems) shall be held in absolute confidence by the other party. Each party shall, however, be permitted to disclose relevant confidential information to its officers, agents and employees to the extent that such disclosure is necessary for the performance of their duties under this Contract, provided the data may be collected, used, disclosed, stored and disseminated only as provided by and consistent with the law, including the ACA and 45 C.F.R. § 155.260, the Non-Exchange Entity Agreement referenced in Section 11.2, below, and the Non-Disclosure Agreement incorporated into this Contract pursuant to Section 2.1, above. The provisions of this section shall not apply to information that (a) is lawfully in the public domain; (b) has been independently developed by the other party without violation of this Contract; (c) was already in the possession of such party; (d) was supplied to such party by a third party lawfully in possession thereof and legally permitted to further disclose the information; or (e) which such party is required to disclose by law.
- 9.2 More particularly, the Contractor agrees that its access to Personally identifiable Information under the Contract shall make it a "Non-Exchange Entity", as that term is defined in 45 C.F.R. § 155.260(b)(1). The Contractor therefore shall keep information obtained in the course of this Contract confidential in compliance with the ACA, including, without limitation, 45 C.F.R. § 155.260, and the Non-Exchange Entity Agreement incorporated into this Contract pursuant to Section 2.1, above. The Contractor agrees further to comply with any applicable State and federal confidentiality requirements regarding collection, maintenance, and use of health, personally identifiable, and financial information. This obligation includes providing training and information to employees regarding confidentiality obligations as to personally identifiable, and financial information and securing acknowledgement of these obligations from employees to be involved in the Contract. This obligation further includes restricting use and disclosure of the records, generally providing safeguards against misuse of information, keeping a record of any disclosures of information, providing all necessary procedural and legal protection for any disclosures of information, promptly responding to any requests by the Agency for information about its privacy practices in general or with respect to a particular individual, modifying information as may be required by good professional practice as authorized by law, and otherwise providing good information management practices regarding all health, personally identifiable, and financial information.
- 9.3 Section 9 shall survive expiration or termination of this Contract.

10. Parent Company Guarantee (If Applicable)

MAXIMUS, Inc. hereby guarantees absolutely the full, prompt and complete performance by "MAXIMUS Health Services, Inc." of all the terms, conditions and obligations contained in this Contract, as it may be amended from time to time, including any and all exhibits that are now or may become incorporated hereunto, and other obligations of every nature and kind that now or may in the future arise out of or in connection with this Contract, including any and all financial commitments, obligations and

liabilities. "MAXIMUS, Inc." may not transfer this absolute guaranty to any other person or entity without the prior express written approval of the State, which approval the State may grant, withhold, or qualify in its sole and absolute subjective discretion. "MAXIMUS, Inc." further agrees that if the State brings any claim, action, suit or proceeding against "MAXIMUS Health Services, Inc.", "MAXIMUS, Inc." may be named as a party, in its capacity as Absolute Guarantor.

11. Non-Hiring of Employees

No official or employee of the State, as defined under Md. Code Ann., General Provisions Article, § 5-101, whose duties as such official or employee include matters relating to or affecting the subject matter of this Contract, shall, during the pendency and term of this Contract and while serving as an official or employee of the State, become or be an employee of the Contractor or any entity that is a Subcontractor on this Contract.

12. Disputes

- 12.1 As used herein, a "claim" means a written demand or assertion by one of the parties seeking, as a legal right, the payment of money, adjustment, or interpretation of contract terms, or other relief, arising under or relating to this Contract. A voucher, invoice, or request for payment that is not in dispute when submitted is not a claim. However, if the submission subsequently is not acted upon in a reasonable time, or is disputed as to liability or amount, it may be converted to claim for the purpose of this clause.
- 12.2 Within thirty (30) days of when the Contractor knows or should have known of the basis for a claim relating to the Contract, it shall file a written notice of claim on its letterhead to the Procurement Officer. Contemporaneously with, or within sixty (60) days after filing the notice of claim, the Contractor shall submit the written claim to the Procurement Officer. The Procurement Officer shall issue a final, written decision on the claim as expeditiously as possible. Any final decision of the Procurement Officer may award a Contract claim only for those expenses incurred not more than thirty (30) days before the contractor initially filed its notice of claim.
- 12.3 If the final decision of the Procurement Officer grants the claim in part and denies the claim in part, the MHBE shall pay the Contractor the undisputed amount. Payment of the partial claim will not be construed as an admission of liability by the MHBE and does not preclude the MHBE from recovering the amount paid if a subsequent determination modifies the final decision.
- 12.4 Within thirty (30) days of receipt of the final decision of the Procurement Officer, the Contractor may file an appeal to the Executive Director of the MHBE for claims for monetary amounts less than \$75,000, and to the Board of Trustees for either claims for monetary amounts over \$75,000 or for claims involving non-monetary relief. If submitted to the Executive Director, a final decision resolving the appeal will be issued by the Executive Director. If submitted to the Board of Trustees, the Board of Trustees may determine that a hearing would assist in the resolution of any appeal. The Board of Trustees may elect to hold the hearing itself or may refer the matter for a hearing to a panel consisting of two or more members of the Board of Trustees or may refer the matter to a neutral decision maker. A final decision resolving the appeal will be issued by a vote of the Board of Trustees. The Contractor's timely appeal to the Executive Director or the Board of Trustees shall be a strict condition precedent to the contractor pursuing any legal rights which it alleges or which may exist in any other forum.

- 12.5 Pending resolution of a claim, the Contractor shall proceed diligently with the performance of the Contract in accordance with the Procurement Officer's decision.
- 12.6 Nothing in this section shall be construed to limit the MHBE's right to withhold payments from the Contractor, assess liquidated damages against the Contractor, direct the Contractor to perform pursuant to the terms of the Contract or any written change order, or to exercise any other rights allowed by Contract or at law.

13. Maryland Law

- 13.1 This Contract shall be construed, interpreted, and enforced according to the laws of the State of Maryland.
- 13.2 The Md. Code Ann., Commercial Law Article, Title 22, Maryland Uniform Computer Information Transactions Act, does not apply to this Contract or to any purchase order or Notice to Proceed issued under this Contract.
- 13.3 Any and all references to the Maryland Code, Annotated contained in this Contract shall be construed to refer to such Code sections as are from time to time amended.

14. Multi-year Contracts Contingent Upon Appropriations

If the General Assembly fails to appropriate funds or if funds are not otherwise made available for continued performance for any fiscal period of this Contract succeeding the first fiscal period, this Contract shall be canceled automatically as of the beginning of the fiscal year for which funds were not appropriated or otherwise made available; provided, however, that this will not affect either the State's rights or the Contractor's rights under any termination clause in this Contract. The effect of termination of the Contract hereunder will be to discharge both the Contractor and the State of Maryland from future performance of the Contract, but not from their rights and obligations existing at the time of termination. The Contractor shall be reimbursed for the reasonable value of any nonrecurring costs incurred but not amortized in the price of the Contract. The State shall notify the Contractor as soon as it has knowledge that funds may not be available for the continuation of this Contract for each succeeding fiscal period beyond the first

15. Nondiscrimination in Employment

The Contractor agrees: (a) not to discriminate in any manner against an employee or applicant for employment because of race, color, religion, creed, age, sex, marital status, national origin, sexual orientation, sexual identity, ancestry, or disability of a qualified individual with a disability; (b) to include a provision similar to that contained in subsection (a), above, in any underlying subcontract except a subcontract for standard commercial supplies or raw materials; and (c) to post and to cause Subcontractors to post in conspicuous places available to employees and applicants for employment, notices setting forth the substance of this clause.

16. Contingent Fee Prohibition

The Contractor warrants that it has not employed or retained any person, partnership, corporation, or other entity, other than a bona fide employee, bona fide agent, bona fide salesperson, or commercial selling agency working for the business, to solicit or secure the Contract, and that the business has not paid or agreed to pay any person, partnership, corporation, or other entity, other than a bona fide employee, bona

fide agent, bona fide salesperson, or commercial selling agency, any fee or any other consideration contingent on the making of this Contract.

17. Non-availability of Funding

If the General Assembly fails to appropriate funds or if funds are not otherwise made available for continued performance for any fiscal period of this Contract succeeding the first fiscal period, this Contract shall be canceled automatically as of the beginning of the fiscal year for which funds were not appropriated or otherwise made available; provided, however, that this will not affect either the State's rights or the Contractor's rights under any termination clause in this Contract. The effect of termination of the Contract hereunder will be to discharge both the Contractor and the State from future performance of the Contract, but not from their rights and obligations existing at the time of termination. The Contractor shall be reimbursed for the reasonable value of any nonrecurring costs incurred but not amortized in the price of the Contract. The State shall notify the Contractor as soon as it has knowledge that funds may not be available for the continuation of this Contract for each succeeding fiscal period beyond the first.

18. Termination for Cause

If the Contractor fails to fulfill its obligations under this Contract properly and on time, or otherwise violates any provision of the Contract, the State may terminate the Contract by written notice to the Contractor. The notice shall specify the acts or omissions relied upon as cause for termination. All finished or unfinished work provided by the Contractor shall, at the State's option, become the State's property. The State shall pay the Contractor fair and equitable compensation for satisfactory performance prior to receipt of notice of termination, less the amount of damages caused by the Contractor's breach. If the damages are more than the compensation payable to the Contractor, the Contractor will remain liable after termination and the State can affirmatively collect damages. Termination hereunder, including the termination of the rights and obligations of the parties, shall be governed by the provisions of COMAR 21.07.01.11B.

19. Termination for Convenience

The performance of work under this Contract may be terminated by the State in accordance with this clause in whole, or from time to time in part, whenever the State shall determine that such termination is in the best interest of the State. The State will pay all reasonable costs associated with this Contract that the Contractor has incurred up to the date of termination, and all reasonable costs associated with termination of the Contract; provided, however, the Contractor shall not be reimbursed for any anticipatory profits that have not been earned up to the date of termination. Termination hereunder, including the determination of the rights and obligations of the parties, shall be governed by the provisions of COMAR 21.07.01.12A(2).

20. Suspension of Work

The Procurement Officer unilaterally may order the Contractor in writing to suspend, delay, or interrupt all or any part of its performance for such period of time as the Procurement Officer may determine to be appropriate for the convenience of the State..

21. Delays and Extensions of Time

21.1 The Contractor agrees to prosecute the work continuously and diligently and no charges or claims for damages shall be made by it for any delays, interruptions, interferences, or hindrances from

any cause whatsoever during the progress of any portion of the work specified in this Contract.

- 21.2 Time extensions will be granted only for excusable delays that arise from unforeseeable causes beyond the control and without the fault or negligence of the Contractor, including but not restricted to, acts of God, acts of the public enemy, acts of the State in either its sovereign or contractual capacity, acts of another Contractor in the performance of a contract with the State, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, or delays of Subcontractors or suppliers arising from unforeseeable causes beyond the control and without the fault or negligence of either the Contractor or the Subcontractors or suppliers.

22. Suspension of Work

The State unilaterally may order the Contractor in writing to suspend, delay, or interrupt all or any part of its performance for such period of time as the Procurement Officer may determine to be appropriate for the convenience of the State.

23. Financial Disclosure

The Contractor shall comply with the provisions of Md. Code Ann., State Finance and Procurement Article, § 13-221, which requires that every person that enters into contracts, leases, or other agreements with the State or its agencies during a calendar year under which the business is to receive in the aggregate, \$100,000 or more, shall within thirty (30) days of the time when the aggregate value of these contracts, leases or other agreements reaches \$100,000, file with the Secretary of the State certain specified information to include disclosure of beneficial ownership of the business.

24. Political Contribution Disclosure

The Contractor shall comply with Md. Code Ann., Election Law Article, Title 14, which requires that every person that enters into a contract for a procurement with the State, a county, or a municipal corporation, or other political subdivision of the State, during a calendar year in which the person receives a contract with a governmental entity in the amount of \$200,000 or more, shall, file with the State Board of Elections statements disclosing: (a) any contributions made during the reporting period to a candidate for elective office in any primary or general election; and (b) the name of each candidate to whom one or more contributions in a cumulative amount of \$500 or more were made during the reporting period. The statement shall be filed with the State Board of Elections: (a) before execution of a contract by the State, a county, a municipal corporation, or other political subdivision of the State, and shall cover the 24 months prior to when a contract was awarded; and (b) if the contribution is made after the execution of a contract, then twice a year, throughout the contract term, on: (i) February 5, to cover the six (6) month period ending January 31; and (ii) August 5, to cover the six (6) month period ending July 31. Additional information is available on the State Board of Elections website: http://www.elections.state.md.us/campaign_finance/index.html.

25. Documents Retention and Inspection Clause

- 25.1 The Contractor and Subcontractors shall retain and maintain all records and documents relating to this Contract for a period of ten (10) years after final payment by the State hereunder or any applicable statute of limitations or federal retention requirements, whichever is longer, and shall make them available for inspection and audit by authorized representatives of the State, including the Procurement Officer or designee, at all reasonable times. All records related in any way to the Contract are to be retained for the entire time provided under this section. In the event of any audit, the Contractor shall provide assistance to the State, without additional compensation, to

identify, investigate, and reconcile any audit discrepancies and/or variances.

25.2 This Section 25 shall survive expiration or termination of the Contract.

26. Compliance with Laws

The Contractor hereby represents and warrants that:

- 26.1 It is qualified to do business in the State and that it will take such action as, from time to time hereafter, may be necessary to remain so qualified;
- 26.2 It is not in arrears with respect to the payment of any monies due and owing the State, or any department or unit thereof, including but not limited to the payment of taxes and employee benefits, and that it shall not become so in arrears during the term of this Contract;
- 26.3 It shall comply with all federal, State and local laws, regulations, and ordinances applicable to its activities and obligations under this Contract; and
- 26.4 It shall obtain, at its expense, all licenses, permits, insurance, and governmental approvals, if any, necessary to the performance of its obligations under this Contract.

27. Cost and Price Certification

By submitting cost or price information, the Contractor certifies to the best of its knowledge that the information submitted is accurate, complete, and current as of the date of its Proposal.

The price under this Contract and any change order or modification hereunder, including profit or fee, shall be adjusted to exclude any significant price increases occurring because the Contractor furnished cost or price information which, as of the date of its Proposal, was inaccurate, incomplete, or not current.

28. Subcontracting; Assignment

The Contractor may not subcontract any portion of the services provided under this Contract without obtaining the prior written approval of the Procurement Officer, nor may the Contractor assign this Contract or any of its rights or obligations hereunder, without the prior written approval of the Procurement Officer provided, however, that a contractor may assign monies receivable under a contract after due notice to the State. Any subcontracts shall include such language as may be required in various clauses contained within this Contract, exhibits, and attachments. The Contract shall not be assigned until all approvals, documents, and affidavits are completed and properly registered. The State shall not be responsible for fulfillment of the Contractor's obligations to its Subcontractors.

29. Minority Business Enterprise Participation

- 29.1 An overall MBE Subcontractor participation goal and subgoals have been established for this procurement as described in section 1.33 of the RFP.
- 29.2 Liquidated Damages
 - (a) This Contract requires the Contractor to make good faith efforts to comply with the MBE Program and Contract provisions. The State and the Contractor acknowledge and agree that the State will incur damages, including but not limited to loss of goodwill, detrimental impact

on economic development, and diversion of internal staff resources, if the Contractor does not make good faith efforts to comply with the requirements of the MBE Program and MBE Contract provisions. The parties further acknowledge and agree that the damages the State might reasonably be anticipated to accrue as a result of such lack of compliance are difficult to ascertain with precision.

- (b) Therefore, upon a determination by the State that the Contractor failed to make good faith efforts to comply with one or more of the specified MBE Program requirements or Contract provisions, the Contractor agrees to pay liquidated damages to the State at the rates set forth below. The Contractor expressly agrees that the State may withhold payment on any invoices as a set-off against liquidated damages owed. The Contractor further agrees that for each specified violation, the agreed upon liquidated damages are reasonably proximate to the loss the State is anticipated to incur as a result of such violation.
 - (i) Failure to submit each monthly payment report in full compliance with COMAR 21.11.03.13B (3): \$37.00 per day until the monthly report is submitted as required.
 - (ii) Failure to include in its agreements with MBE Subcontractors a provision requiring submission of payment reports in full compliance with COMAR 21.11.03.13B (4): \$258.00 per MBE Subcontractor.
 - (iii) Failure to comply with COMAR 21.11.03.12 in terminating, canceling, or changing the scope of work/value of a contract with an MBE Subcontractor and/or amendment of the MBE participation schedule: the difference between the dollar value of the MBE participation commitment on the MBE participation schedule for that specific MBE firm and the dollar value of the work performed by that MBE firm for the contract.
 - (iv) Failure to meet the Contractor's total MBE participation goal and sub goal commitments: the difference between the dollar value of the total MBE participation commitment on the MBE participation schedule and the MBE participation actually achieved.
 - (v) Failure to promptly pay all undisputed amounts to an MBE Subcontractor in full compliance with the prompt payment provisions of this Contract: \$37.00 per day until the undisputed amount due to the MBE Subcontractor is paid.

Notwithstanding the use of liquidated damages, the State reserves the right to terminate the Contract and exercise all other rights and remedies provided in the Contract or by law.

29.3 MBE Prompt Pay Requirements

To ensure compliance with certified MBE subcontract participation goals, the Department or Agency may, consistent with COMAR 21.11.03.13, take the following measures:

- (a) Verify that the certified MBEs listed in the MBE participation schedule actually are performing work and receiving compensation as set forth in the MBE participation schedule. This verification may include, as appropriate:
 - (i) Inspecting any relevant records of the Contractor;

- (ii) Inspecting the jobsite; and
 - (iii) Interviewing Subcontractors and workers.
 - (iv) Verification shall include a review of:
 1. The Contractor's monthly report listing unpaid invoices over 30 days old from certified MBE Subcontractors and the reason for nonpayment; and
 2. The monthly report of each certified MBE Subcontractor, which lists payments received from the Contractor in the preceding 30 days and invoices for which the Subcontractor has not been paid.
- (b) If the Agency determines that the Contractor is in material noncompliance with MBE Contract provisions and refuses or fails to take the corrective action that the Agency requires, then the Agency may:
- (i) Terminate the Contract;
 - (ii) Refer the matter to the Office of the Attorney General for appropriate action; or
 - (iii) Initiate any other specific remedy identified by this Contract.
- (c) Upon completion of the contract, but before final payment or release of retainage or both, the Contractor shall submit a final report, in affidavit form under the penalty of perjury, of all payments made to, or withheld from MBE Subcontractors.

30. Insurance Requirements

The Contractor shall maintain workers' compensation coverage, and property and casualty insurance as required in the RFP. The minimum limits of such policies must meet any minimum requirements established by law and the limits of insurance required by the RFP, and shall cover losses resulting from or arising out of Contractor action or inaction in the performance of services under the Contract by the Contractor, its agents, servants, employees or Subcontractors. Effective no later than the date of execution of the Contract, and continuing for the duration of the Contract term, and any applicable renewal periods, the Contractor shall maintain such insurance coverage and shall report such insurance annually or upon Contract renewal, whichever is earlier, to the Procurement Officer. The Contractor is required to notify the Procurement Officer in writing, if policies are cancelled or not renewed 35 days in advance of such cancellation and/or nonrenewal. Certificates of insurance evidencing this coverage shall be provided within five (5) days of notice of recommended award. All insurance policies shall be issued by a company properly authorized to do business in the State of Maryland. The State shall be named as an additional named insured on the property and casualty policy and as required in the RFP.

31. Liability

For breach of this Contract, negligence, misrepresentation, or any other contract or tort claim, Contractor shall be liable as follows:

- 31.1 For infringement of patents, copyrights, trademarks, service marks, and/or trade secrets, as provided in Section 5 of this Contract;
- 31.2 Without limitation for damages for bodily injury (including death) and damage to real property and tangible personal property; and
- 31.3 Without limitation for all claims, damages, losses, costs, expenses, suits, or actions arising out of or caused by a) Contractor's breach of any State or federal requirement with respect to the

privacy of Protected Health Information (PHI), Personally Identifiable Information (PII), or data security, b) the fraudulent acts or deliberate and willful misconduct or gross negligence of Contractor, its employees, or subcontractors.

- 31.4 For all other claims, damages, losses, costs, expenses, suits, or actions in any way related to this Contract, regardless of the form Contractor's liability shall not exceed three (3) times the total value of this Contract.

32. Commercial Nondiscrimination

- 32.1 As a condition of entering into this Contract, Contractor represents and warrants that it will comply with the State's Commercial Nondiscrimination Policy, as described at Md. Code Ann., State Finance and Procurement Article, Title 19. As part of such compliance, Contractor may not discriminate on the basis of race, color, religion, ancestry or national origin, sex, age, marital status, sexual orientation, sexual identity, or on the basis of disability or other unlawful forms of discrimination in the solicitation, selection, hiring, or commercial treatment of Subcontractors, vendors, suppliers, or commercial customers, nor shall Contractor retaliate against any person for reporting instances of such discrimination. Contractor shall provide equal opportunity for Subcontractors, vendors, and suppliers to participate in all of its public sector and private sector subcontracting and supply opportunities, provided that this clause does not prohibit or limit lawful efforts to remedy the effects of marketplace discrimination that have occurred or are occurring in the marketplace. Contractor understands that a material violation of this clause shall be considered a material breach of this Contract and may result in termination of this Contract, disqualification of Contractor from participating in State contracts, or other sanctions. This clause is not enforceable by or for the benefit of, and creates no obligation to, any third party.
- 32.2 The Contractor shall include the above Commercial Nondiscrimination clause, or similar clause approved by the MHBE, in all subcontracts.
- 32.3 As a condition of entering into this Contract, upon the request of the Commission on Civil Rights, and only after the filing of a complaint against Contractor under Md. Code Ann., State Finance and Procurement Article, Title 19, as amended from time to time, Contractor agrees to provide within sixty (60) days after the request a complete list of the names of all Subcontractors, vendors, and suppliers that Contractor has used in the past four (4) years on any of its contracts that were undertaken within the State of Maryland, including the total dollar amount paid by Contractor on each subcontract or supply contract. Contractor further agrees to cooperate in any investigation conducted by the State pursuant to the State's Commercial Nondiscrimination Policy as set forth at Md. Code Ann., State Finance and Procurement Article, Title 19, and to provide any documents relevant to any investigation that are requested by the State. Contractor understands that violation of this clause is a material breach of this Contract and may result in contract termination, disqualification by the State from participating in State contracts, and other sanctions.

33. Contract Monitor and Procurement Officer

The work to be accomplished under this Contract shall be performed under the direction of the Contract Monitor. All matters relating to the interpretation of this Contract shall be referred to the Procurement Officer for determination.
