This Amendment is being issued to amend and clarify certain information contained in the above named IFB. All information contained herein is binding on all bidders who respond to this IFB. Specific parts of the IFB have been amended. The following changes/additions are listed below.

The following amendment is being made to the **SOLICITATION NO: BPM049049**

1) Section 2.3 Shipping / Delivery Amended to reflect the following:

The successful bidder/vendor will work with the MHBE to ensure proper delivery of the hardware. Specifically, the vendor will work with the MHBE contract monitor (or his designee) to set an agreed upon delivery date. After confirmation of the agreed upon delivery date, the vendor will inform the MHBE Contract Monitor of the shipping details and provide all relevant tracking number(s).

The vendor is responsible for getting all items to MHBE Pratt Street address. Vendor may enter from Constellation Way, off Pratt Street, to the building's loading dock area. It is the responsibility of the vendor to provide all necessary equipment (pallet jack, dolly's, hand truck etc.) to unload the hardware to transport up to the 6th Floor. **NOTE: Pallet jacks are not allowed outside of the freight area on the 6th floor. It is also recommended for the vendor to visit the site, prior to delivery, to ensure they use the appropriate delivery vehicle to access the loading dock area.**

Please acknowledge this Amendment when submitting your bid.
